SUBJECT: Employment of [] as an Assessment Psychologist 25X1

25X1

[]

25X1

[]

2. He received a favorable assessment on 6-8 July 1950. He consistently obtained high ratings on psychometric and situation tests and was well thought of by all the psychologists of the Assessment Staff.

3. [] has abilities and interests which will make it easy, when the desirability for rotation occurs, to retool him for responsibilities in administration, personnel, training, or overseas operations. He is desirous of making a career for himself in CIA.

4. If this recommendation for employment of [] is approved, it is requested that his security clearance be given priority since there is such a heavy demand for assessment. 25X1

5. [] has expressed a desire that he be employed at least at his present salary which is \$8,200. I recommend that this be done if it is at all possible. If it cannot be arranged, I recommend that he be employed at the basic GS-13 level. His assignment should be to the Assessment Staff.
